

MADE IN THE U.S.A.

Door-Buddy™

Over the Hinge Door Stop

- Hold the door without bending over to reduce injury costs due to back strain or improperly secured doors
- Easy to use rotator pin allows the Door-Buddy to function on 1/2" and 3/4" door hinge pins
- Small enough to be carried in a jacket or coat pocket, making the Door-Buddy always close at hand
- Available with a convenient belt clip so that it is always readily available when you need it
