

28" Traffic Cone

Collapsible with Optional Light

- Remove from clear protective carrying case and extend cone
- Collapses so it can be stored in case almost anywhere
- Heavy-duty plastic base and nylon cone are water and chemical resistant
- Bright orange cone and two reflective bands significantly increase visibility in any condition - up to 850 feet
- Optional hazard light flashes 130 times per minute and operates on two AA batteries
- Meets MUTCD regulations for traffic cones and channeling devices
