

Cobweb Duster

Stiff Bristle Duster

Untangle The Web

Flagged bristle tips snare cobwebs and securely hold them as you dust

Variable Lengths

Can be used with any standard ACME threaded pole to reach higher areas like ceilings, fans and door frames

Strong and Gentle

Stiff bristles are tough enough to scrub set-in dust without marring most surfaces, while flexible enough to conform to irregular shapes and tight spaces.

Easy Grip

Generously sized handle allows you to comfortably dust lower areas such as window and door frames
