

## Model 320PCR™ Post Consumer Recycled Trigger Sprayer

Tolco Corporation, the industry leader in trigger sprayers, is proud to announce the Model 320PCR. This trigger sprayer features Tolco's best in class Model 320 design, paired with 100% Post Consumer Recycled resins in the construction of the trigger, nozzle, body, collar, and piston components. This trigger sprayer highlights the innovation and capabilities of Tolco when it comes to meeting the needs of today's world, while not sacrificing the superior quality or durability that our trigger sprayers are known for.

### MODEL 320PCR™ POST CONSUMER RECYCLED TRIGGER SPRAYER

- Trigger, nozzle, body, collar and piston components are all made of 100% Post Consumer Recycled plastic
- The leading general purpose trigger sprayer in janitorial and industrial markets
- Rubber piston cup extends life and provides broader chemical resistance
- Outer body protects piston assembly from damage during use and storage
- Three finger trigger and rear support make extended use more comfortable
