TOLLCOO CORPORATION

John Bellare

ABOUT US

Tolco Corporation is so much more than just trigger sprayers! After spending over 60 years developing the most innovative and high-quality trigger sprayers in the industry, it is easy to see why Tolco is synonymous with trigger sprayers. However, Tolco also sells over 500 products to the Janitorial, Foodservice, Industrial, Office Supply, Auto Detailing, Beauty & Barber, Consumer Products, and Animal Health markets.

Tolco Corporation was founded by William E. Spengler in March 1961. We began with just one product, the D-22 drum pump, which we still sell today. It was that best in class product which would be the foundation of our success. In the years that followed, we began developing the products that would define their categories. The D-22 was just the start, followed by the Model 320 trigger sprayer, the 942 pump-up sprayer, and continuing today with innovative, category leading products like Komodo Urinal Mats and Top PerFOAMer. We are committed to provide you with exciting, innovative products well into the future.

Mr. Spengler was fond of saying, "Initially, all orders were shipped F.O.B. - from our basement." Much has changed since 1961, but one thing that hasn't is that Tolco is still a family owned and operated business. The average employee has been with Tolco over 13 years, and 20% of the staff have been with Tolco 20 or more years.

From our family to yours, thank you for your continued support. We sincerely appreciate your trust and confidence. All of us at Tolco Corporation look forward to providing our customers with many more years of excellence.

BUILD-A-BRAND

“Build-a-Brand” was developed to help you choose the right combination of containers and closures to then add your own imprinted design to promote your business or your customers’ brand.

We encourage you to take advantage of our private branding opportunities and promote your brand like so many of our customers do. You can use our designs, past and present, as your inspiration and work with our graphics department to make the design your own.
