

MOP BUCKET

WITH DOWN PRESS WRINGER

#280600

L: 20", W: 16", H: 13"

1/cs.

NEW ITEM

PRACTICAL OPERATION:

Facilitates an up and down motion, enabling greater user leverage with minimal effort for easier, less strenuous mop drainage

BUILT TO LAST:

A robust, corrosion-resistant handle and hardware ensure enhanced durability and extended service life, even in challenging environments

FLEXIBLE INTEGRATION:

Accommodates mops up to 32 oz in size with a 32-35 quart capacity, promoting a seamless integration into any existing cleaning regimens

SMOOTH MOBILITY:

Equipped with 3" non-marking swivel casters, this mop bucket glides effortlessly across any surface, providing greater maneuverability and protecting floors from scuffs and marks
