

MOP BUCKET

WITH SIDE PRESS WRINGER

#280605

W: 23", D: 14.75", H: 25.25"

1/cs.

NEW ITEM

USER-FRIENDLY HANDLING:

Features a side-press mechanism that applies pressure evenly across the mop head, enabling efficient liquid extraction

ENDURING PERFORMANCE:

With hardware and a side press handle built from corrosion-resistant materials, our mop buckets are designed for stability and durability, offering a long service life even under heavy use

STANDARD CAPACITY:

Offering a 32-35 quart capacity, our mop buckets accommodate mops up to 32 oz in size for easy assimilation into any existing cleaning regimen

ROLL WITH EASE:

Fitted with 3" non-marking wheel casters, our mop bucket offers smooth, easy rolling and guards floors against scuffs and damage, even when fully loaded

***REPLACEMENT SPRINGS, HANDLES, WHEEL CASTERS, AND WRINGERS AVAILABLE*
